### Paid Time-Off (PTO)

Effective July 1, 2015 the Collective Bargaining Agreement (CBA) went into effect for all home care workers that work for participants in PCA Choice, Consumer Directed Community Support, Consumer Support Grant, and Community First Services and Supports, which is a program being developed by the State of Minnesota. The CBA requires all workers in these programs will earn up to five days of Paid Time Off per year regardless of whether they join the union or not.

Beginning July 1, 2019, all workers will earn one hour of PTO for every 40 hours worked. Workers need to work 600 hours, or a continuous 6-month period, before they can start using their PTO. Accra is required to track the number of hours worked and report this information to SEIU Healthcare (the union representing home care workers- <http://www.seiuhealthcaremn.org/>) after each pay period. If your employee works for more than one agency, SEIU will notify Accra when the employee has worked 600 hours and are eligible to use their accrued PTO.

Employees can carry over up to 80 hours of PTO from one State fiscal year to the next. The State’s fiscal year is July 1 to June 30. Employees are responsible for managing their PTO balances. According to the Collective Bargaining Agreement, any hours over 80 hours will be deducted from an employee’s PTO balance as of July 1st each year. Employee PTO balances can be found on their pay stubs on ADP. Please see payroll section of this handbook for more information about ADP.

When a worker has worked 600 hours or for a continuous 6-month period, whichever happens first, the employee is eligible to waive PTO accrual. If an employee opts out of their right to accrue PTO, they will be ineligible to accrue PTO until the start of the client’s new plan year. Employees who wish to opt out of PTO will need to complete paperwork prior. Please notify your Service Coordinator for the required paperwork if an employee would like to opt out of PTO. It is the employee’s responsibility to contact Accra at the beginning of the plan year if they wish to opt back in to accrue PTO.

If your employee terminates their employment with Accra, Accra is required to pay accrued PTO up to 80 hours. If the employee has more than 80 hours of accrued PTO, they will only be paid the 80 hours.

Accra will comply with sick and safe time for employees as required by city ordinance. \*The above figures may be subject to change based on updated Collective Bargaining Agreements

## Process for Requesting PTO

As the employer, you will approve the employee's request for paid time off. You are responsible for ensuring that there is coverage for the participant when the employee is off.

1. Confirm the amount of PTO available. The employee can view their accrued amount of PTO on their online ADP portal.
2. Complete the Consumer Choice PTO Request form. You can download a copy of the form from the website at [www.accracare.org](http://www.accracare.org). Click on Employee tab, then Employee Resources.
3. Have the employee complete the form, obtain approval if needed, and then submit to [fmsmytime@accracare.org](mailto:fmsmytime@accracare.org).
