

Accra Mobile – Taageerada Farsamada Bayoometrik

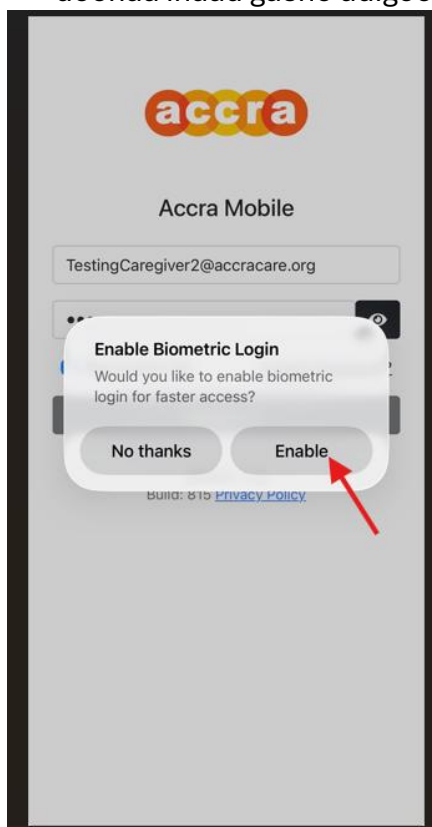

Accra Mobile hadda waxay leedahay taageero loogu talagalay qaybta soo socota:

1. **Bayoometrik** – Isticmaalayaashu hadda waxay isticmaali karaan Bayoometrik (Face ID, Aqoonsiga Wajiga, Faraha, Lambarka sirta ah... iwm) si ay u galaan Accra Mobile. Qaybtaan waxay sidoo kale ka caawisaa daryeelayaasha wadaaga taleefannada – hadda waxaa jira ikhtiyaarka "switch account (beddelka akoonka)" (tilmaamaha hoose ka eeg).

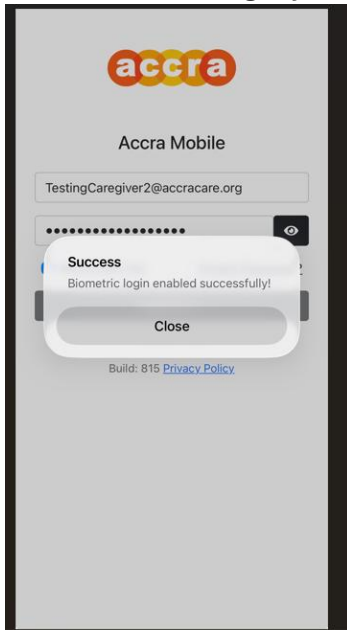

Bayoometriitiga

1.1 Sida loo shido bayometrikyada

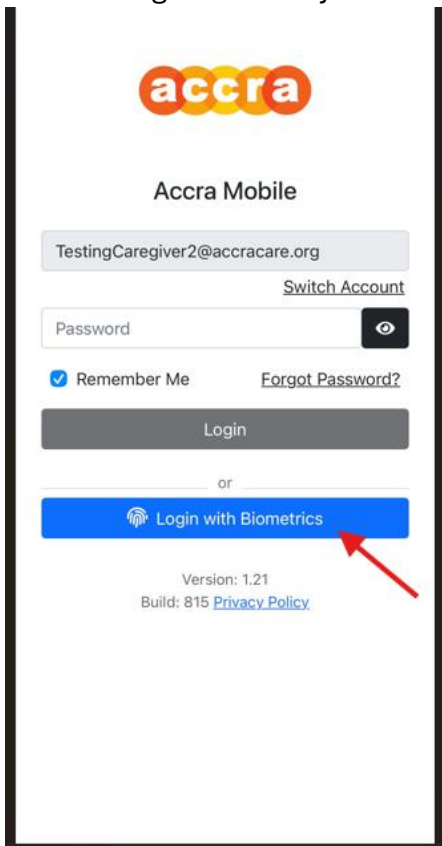

- a. Markaad furto nooca cusub ee barnaamijka moobaylka, waxaa lagu weydiin doonaa inaad gasho adigoo isticmaalaya bayoometriitiga.

b. Marka la hawlgeliyo oo la dejiyo markaa waa inaad aragtaa farriinta guusha –

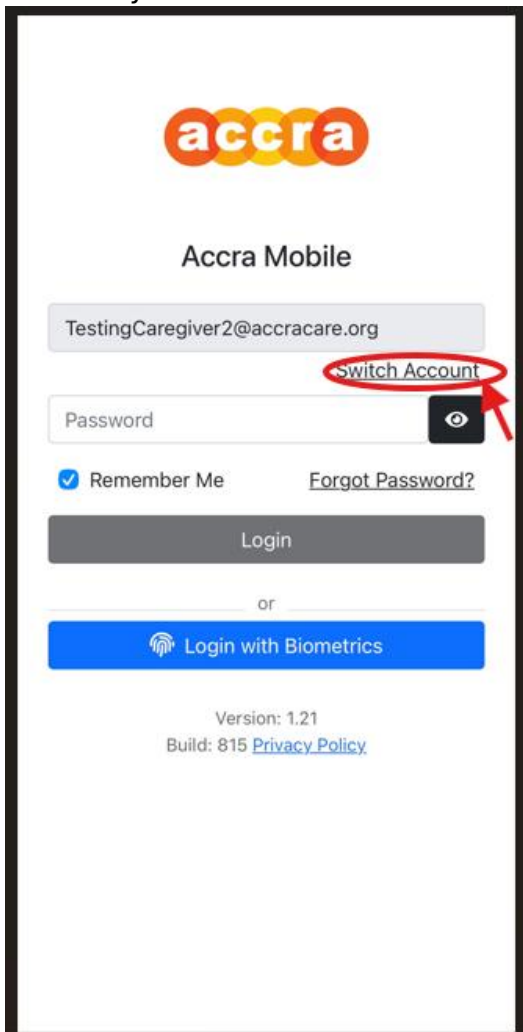

c. Marka bayoometriitigaaga la dejiyo, waa inaad had iyo jeer aragtaa fursadaha aad ku geli karto bayoometriitig shaashadda gelitaanka.

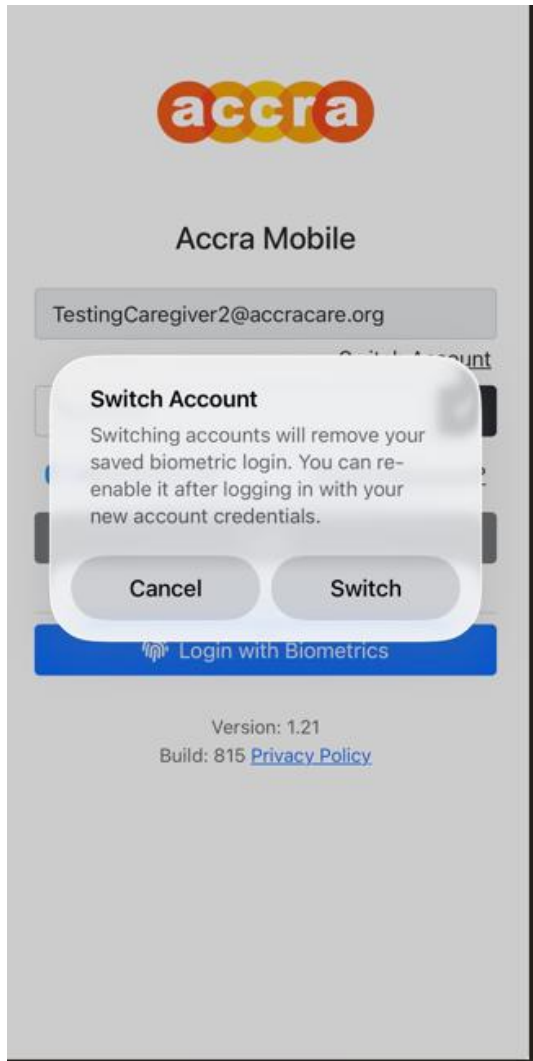

1.2 Sida loo beddelo akoonnada (taleefannada la wadaago ee u dhexeeya daryeelayaasha)

Marka aad taleefannada la wadaagayso daryeelayaal badan/RP, macluumaadka akoonka ee hore ayaa laga yaabaa in lagu keydiyo qalabka. Ikhtiyaarka "switch account (beddelka akoonka)" wuxuu u oggolaanayaa isticmaalayaasha kala duwan inay galaan oo ay baxaan oo ay fursad u helaan inay isticmaalaan bayoomiritgyadooda gaarka ah.

- a. Si aad u beddesho akoonnada, hubi inaad hubiso in isticmaalihii hore laga saaray ka dibna aad doorato "switch account (beddelka akoonka)"

- b. Fariin/tilmaam degdeg ah ayaa la soo bandhigi doonaa si loo hubiyo in isticmaaluhu wali rabo inuu beddelo akoonnada

- c. Marka isticmaaluhu doorto "Switch (Badel)" codsigu wuxuu dib ugu laaban doonaa shaashadda gelitaanka.
